NOTE: Are you asking different parishioners to take up the gifts? It's a good way to get more people involved in the Mass. Will you please help to clean up the pews after Mass?

Note: Father Chris has requested that the ushers make a sincere effort to find members of the congregation to carry up the Offertory Gifts. This is an opportunity to get other parishioners involved in this ministry. A reminder that two ushers transfer the offering from the basket to the bank bag.
